'Integration and Innovation'

**3rd National Conference for Occupational Therapists in
Child and Adolescent Mental Health (CAMHS)**

21st and 22nd May 2008

To be held at St Andrews Hospital, Northampton

(In association with COT- specialist section for Children,
Young People and Families.)

Expressions of interest are invited from OT's who would like to present at the above conference. Presentations, Posters and Workshops that demonstrate innovative Occupational Therapy practice and/or its integration into CAMHS are particularly welcome.

As the 3rd National CAMHS OT conference we would like to build upon the themes and networks previously established. This conference aims to discuss the role of OT's practicing in CAMHS within the wider remit of developing and integrating Occupational Therapy practice.

A 20% reduction from the costs of attendance and evidence for personal CPD will be provided.

Provisional Keynotes speakers include

Day 1; Eadaoin Bhreathnach- Sensory Integration and Attachment.

Day 2; Dawn Rees; National CAMHS support Service lead.

Sidney Chu; ADHD research

Costs: £80 2 days/ £50 1 day.
